

Remarks

The specification of the present application has been amended to cross reference related applications relied upon for priority. In addition, original claims 1-39 were cancelled and replaced with new claims 40-60. All of the new claims are fully supported by those originally present and are in a format more typically used in the United States. None of the amendments made herein add new matter to the application, and their entry is therefore respectfully requested.

Conclusion

In light of the amendments made herein, Applicants believe that the present application is now in condition for substantive review. If, in the opinion of the Examiner, a phone call may help to expedite the prosecution of this application, the Examiner is invited to call Applicants' undersigned attorney at (202) 419-7013.

Respectfully submitted,
